Recommendations for Acreage of School Facilities

The recommended acreages below are guidelines meant to assist school districts in planning. They do not have regulatory force.

**Elementary**
- Minimum of 5 acres
- Additional acre for each 100 pupils

**Junior High Schools**
- 10 acres for enrollments to 300
- 15 acres for enrollments to 500
- 20 acres + 1 acre for each 100 pupils for enrollments > 500

**Senior High Schools**
- 20 acres for enrollments to 400
- 25 acres for enrollments to 800
- 30 acres + 1 acres for each 100 pupils for enrollments > 800
